Invitation to the “3rd Art Tech Innovation Event” Art Tech Competition 2026 — Request for Institutional Support & Student Participation

The competition features three cutting-edge themes: **AR (Augmented Reality) Game Development**, **3D Food Printing**.

Key Highlights & Student Benefits:

- **Portfolio Development:** Students will design and complete an interactive Art Tech project that can be proudly showcased in their professional portfolios.
- **Official Certification:** All participants who complete the competition will receive an official Certificate of Participation, enhancing their competitiveness for future internships, career placements, and postgraduate applications.
- **Exhibition & Recognition:** Shortlisted works will be physically exhibited during the 5-day "Art Tech Week" at Hong Kong Shue Yan University, where a panel of professional judges and the public will select the "Jury's Choice Award" and "People's Choice Award" winners.
- **Full Support for Participant :** If students missed our earlier workshops, our team will follow up and **distribute the complete workshop video recordings to all registered teams** for self-paced online learning.
