

Description

This trip is designed specifically for international students, while local and other students are welcome to join. Conducted in English, it provides multiple face-to-face, interactive opportunities with local people, for participants to gain first-hand experience about everyday life in the Pearl River Delta.

Eligibility

All HKUST students are welcome.

Fee (To be announced)

Full-time students of UGC funded programs will receive subsidy of half of the program fee upon successful completion of the trip.

Program Schedule: To be offered in fall and spring term (The schedule may be subject to change)
