

# Sample Padlock for the Student Locker

★ Recommended within **35-40mm Width** & **5-6mm Diameter** padlock which can fix on locker. Don't buy too small or too big.

It wouldn't fix it on student locker.

Combination padlocks are risky.

Key retaining padlocks (Key removable in locked position only) (留匙鎖) are not accepted.

# Sample Padlock

Any high quality stainless steel **shackle** padlocks

Recommended brands of ordinary non-shackle padlocks with a short stem and a base 35mm - 40mm wide
