

Wear Face Mask in Fitness Facilities and Installation of Partition Screens

Due to a cluster of confirmed cases in a local Fitness Center was reported yesterday, we must follow the latest Government directions under Cap. 599F to request all users of Fitness Facilities wearing face masks **at all times** with effect from 12 March 2021.

On the other hand, we are now installing the partition screens between fitness equipment at LG4 Fitness Center as an enhanced safety measures for preventing the spread of COVID-19. We will extend similar installation to other fitness areas on campus as soon as possible.

Please join us to maintain a healthy environment for exercise!
