

## Closure of All Sports Facilities from 15 July 2020 (Wednesday)

In view of the sudden surge of local COVID-19 cases recently and in line with Government's new regulations to tighten up social distancing measures, we need to close all sports facilities starting from 15 July 2020 until further notice.

All advanced bookings and individual bookings are cancelled.

We sincerely hope users to stay alert and be patient. To minimize the impact and inconvenience, our sports facilities will be resumed once the situation allowed.
