

No-Show Penalty for Tennis Courts #1 and #2

Considering the shortage of tennis courts and to promote more effective use, a no-show penalty specifically for users of Tennis Courts #1 and #2 will be implemented starting from 14 November 2025:

1. Users must arrive at Tennis Courts #1 and #2 within the first 10 minutes of their booking. While all users are currently required to occupy their booked facilities within this time frame, this stricter enforcement applies only to Tennis Courts #1 and #2. Arrivals later than 10 minutes will be considered a no-show. Users are required to present their University ID to the sports attendant to confirm their booking.
2. The suspended period for each no-show case for tennis courts #1 and #2 will be increased from two weeks to four weeks.

Additional manpower will be assigned for patrol and identity verification. Please note that frontline staff may need to interrupt your activity as part of their duties. We appreciate your cooperation and understanding in this matter.
