

Interruption of Hot Water Supply to various Sports Venues 20 – 31 Jan 2026

The CDO will carry out pipe modification work at the seawater pumphouse during this period. This will impact the hot water supply to the following sports facilities:

- No hot water for showering at LG3 and LG4 changing facilities.
- No hot water for showering at 4/F changing facilities in TSANG Shiu Tim Sports Center.
- Closure of Indoor Swimming Pool due to the suspension of the hot water system.

Users are encouraged to use the showering facilities at Fok Ying Tung Sports Center where hot water supply will still be available.

Unfortunately, it is not feasible to suspend hot water supply at one venue at a time, as this is a central system serving all mentioned venues. We will work closely with CDO to shorten the affected period and resume all services as soon as the work is completed.
