

Typhoon Warning Signal No. 8 will be hoisted

Dear Users,

The Observatory will issue Storm Signal No. 8 at 2:20 p.m. today. The “Pre-No. 8 Special Announcement” will be issued about 2 hours before the Signal No. 8 to be in force and all sports facilities including the changing facilities will be closed immediately. For those who booked 12 noon to 1 p.m. timeslots are recommended to skip your exercise sessions and no-show penalty will be waived for this occasion.

Furthermore,

1. if the Storm Signal Number 8 is lowered BEFORE 6 pm of the day, we will try our best to open our indoor sports facilities in two hours if conditions allow. For outdoor facilities, it would take even longer time to resume normal for opening.
2. if the Storm Signal Number 8 is lowered AT OR AFTER 6 pm of the day, all sports facilities will keep closing for the day.
