

# Changes to Sports Facility Availability Due to New Academic and Research Building Construction

Please be informed that the Lawn Area, Golf Cages, and Tennis Courts 5 & 6 have been handed over to the Campus Development Office for the development and construction of the new academic and research building. Booking and usage of all these sports facilities are no longer available as of 20 October 2025.

Meanwhile, we understand that the University is undergoing redevelopment planning for the tennis court area. Specific details regarding the construction schedule and location will be announced once they are available.
