

Special Opening Arrangement of Seafront Sports Facilities from 29 Nov to 1 Dec 2024

Dear Members of the University,

Please be informed that due to the Water Pipe Diversion Works on the HPC5 construction site, both potable and flushing water supply will be suspended at the Seafront Sports Facilities from 29 Nov to 1 Dec 2024. Together with the potential risk of shutdown of plant room in the swimming pool, Seafront Sports Facilities will have the following special arrangements:

29 Nov – 1 Dec 2024

	Seafront Sports Facilities	Arrangement on affected period	Remarks
1	Indoor Swimming Pool	Close	Circulation pumps will be shut down once the surge tank reaches a low water level.
2	TSANG Shiu Tim Sports Center	Open	Lockers available. No showering but limited toilet facilities.
3	FOK Ying Tung Sports Center	Open	Lockers available. No showering but limited toilet facilities.
4	Water Sports Center	Open	Courses & Activities will be conducted as usual
5	Tennis Courts 1&2 Mini Soccer Pitch Outdoor Basketball Court	Open	Users are advised to use toilet facilities nearby in UG Halls / Water Sports Center

We appreciate your understanding and patience as we complete this essential maintenance work. If the work is finished ahead of schedule, we will promptly notify you about the reopening of the facilities in DSTO [website](#).

Thank you for your cooperation.

Best Regards,
Sports Development
