### Keynote Speakers:

**Prof. GAO Jia-Hong,**

**Professor and Director**

Center for MRI Research, Peking University

Prof. Gao is an expert in the fields of functional and molecular magnetic resonance imaging and their applications in neuroscience and medicine.

**Prof. QIU Anqi,**

**Professor, Global STEM Scholar**

Department of Health Technology and Informatics,  
The Hong Kong Polytechnic University

Prof. Qiu is an expert in the fields of machine learning in medical images, medical image analysis, neuroimage, imaging genetics, brain development and aging, precision of psychiatric disorders.

### Plenary Speakers:

**Prof. SUN Lei,**  
**Professor**

Department of Biomedical  
Engineering, The Hong Kong  
Polytechnic University

**Dr. Bolton CHAU,**  
**ADoMHRC & Associate  
Professor**

Department of Rehabilitation  
Sciences, The Hong Kong  
Polytechnic University

**Dr. Yvonne HAN,**  
**Associate Professor &  
Programme Leader of BSc  
(Hons) in Occupational Therapy**

Department of Rehabilitation  
Sciences, The Hong Kong  
Polytechnic University
