

SPONSORED STUDENT PROJECTS (YEAR 2017-18)

Link Your Campus Life

The objective of the project was to build up bonding between HKUST students through organizing of social activities. The project hosted two activities: (i) Cake Decoration provided an opportunity for participated groups to design and create their cake with unique style and flavor. The activity took place on 21 Oct 2018 and attended by 52 local and non-local students; (ii) Hear Your Voice recorded an interview with the President Wei Shyy and shared through Facebook page at

Happiness Project

This project aims to promote happy living through yoga practices, meditation, and mindfulness tips in order to cope with stress, particularly related to university-and-academic-related problems. Through these techniques, it hopes to create an overall happier and calmer environment on campus.

Date of Completion: To be completed in May 2019
